2020 MAASTO CAV Summit
MAASTO Subcommittee on Connected and Automated Vehicles
October 22-23 Online Event

Day 2 – Learning From Our Partners and Formalizing a Regional Strategy

1. **9:00-9:15 – Welcome and Recap - MAASTO CAV Subcommittee Co-Chairs**
2. **9:15-12:30 – Developing a MAASTO Regional CAV Strategy (Part 1): Background** – Participate in a facilitated exercise to understand state CAV priorities and begin to develop a regional framework for CAV.

9:15-9:45 - Introduction and summary of potential strategy topics – MAASTO CAV Subcommittee chairs will present the priorities discussed in the 2030 Draft MAASTO Regional Strategy and introduce the day’s breakout goals.

9:45-10:15 - Online Mentimeter Polling & Discussion – Interactive Mentimeter online polling exercise on regional priorities, based on the draft Regional CAV Strategies. Participants will identify the top 2 strategies they want to focus on and be assigned to break out groups focusing on: (1) CAV impacts to DOTs; (2) Research; (3) Data Sharing; (4) Model AV Legislation and Engaging Policy Makers; (5) Automated Freight and Platooning; (6) CAV Regional Forecasting and Planning; (7) Coordination with Local/Tribal Governments; and (8) Accessibility, Equity and Unmet Transportation Needs.

10:15-10:30 BREAK

3. **10:30-12:30 - Developing a MAASTO Regional CAV Strategy (Part 2): Breakout Groups** - Members will break out into the top 5 regional strategies and develop an action plan for the next year. With facilitation support, members will identify:
 - o Working group structure and members
 - o Identify other stakeholders and suggested members
 - o Nominate a lead/chair for each working group
 - o Discuss key milestones and deliverables until report out at 2021 fall summit

10:30-11:15 Breakout Groups A - (1) CAV impacts to DOTs; (2) Research; (3) Data Sharing; (4) Model AV Legislation and Engaging Policy Makers

11:15-11:30 Reconvene and Rapid Report-Out / Optional Break

11:30-12:30 Breakouts Group B – (5) Automated Freight and Platooning; (6) CAV Regional Forecasting and Planning; (7) Coordination with Local/Tribal Governments; and (8) Accessibility, Equity and Unmet Transportation Needs

12:30-1:00 pm LUNCH BREAK

4. **1:00-2:15 – Developing a MAASTO CAV Strategy (Part 3) Report Out** – Each working group will report out and introduce their chair, milestones, goals and stakeholders. Participants will share feedback on strategy and working group next steps.

OPTIONAL BREAK

5. **2:15-3:30 – MAASTO States’ Round Robin** – Mentimeter polling exercising for members will discuss their reactions to the draft regional strategy, summit feedback and share where members hope the MAASTO CAV work will be in 6 months.
6. **3:30 – Next Steps, thank you and Closing**
